

District Point of View:

Welcome to 2020

I hope everyone has enjoyed his or her long winter break. It has been mostly great weather, with higher than normal temps and just bits of snow and ice. Of course, we remember the same from last year when January and February accumulated 9 snow/cold days for us. We'll hope for the best and plan for the worst, nothing more we can do about that. As a reminder we do our best to communicate snow days via the JMC messaging system, social media, and local news outlets. I encourage you to follow Bennett Community School District on Facebook.

I want to thank all of the parents and community members who took the time to complete our climate and culture survey. There were many positive responses; small class size, teachers and staff were among the best things about Bennett. One thing we need to continue to work on is communication and giving people the opportunity to volunteer in a timely manner. Mr. Costello and I will come up with a plan on how to address these concerns.

We appreciate your continued support of Bennett Schools, if you have any comments, questions or concerns please do not hesitate to contact me
lonnie.luepker@bennett.k12.ia.us

Have a safe and prosperous 2020.
